

**GruloLine**

## GruloPur Granulat SE

### Granulate delivery hose

**GruloPUR Granulat SE** is suitable for suction and conveying of liquids and abrasive media such as powder, wood pellets or granulates. The smooth core made of highly abrasion-resistant polyurethane ensures an extremely low pressure drop. The hose is weather, hydrolysis and microbe resistant, antistatic and resistant to a variety of chemical substances.

### Technical characteristics

**Temperature range:** -5 °C to +60 °C

**Standard Length:** 30 m | from DN 102: 20 m

**Colour:** Transparent with white spiral

### Construction

**Cover:** Soft-PVC

**Reinforcement:** Hard-PVC spiral with copper wire

**Lining:** Polyurethane
