

## Grülo TX 60

### Delivery hose 60° Shore

Delivery hose for over- and low pressure with armoring from woven fabric inlay and completely embedded steel wire. Smooth cover with a fabric texture ensures good resistance to wear and weather. Thick, smooth-walled wear tubes provide low resistance to flow and extremely long durability. **GrüloTX 60** is electrically conductive and without sleeves.

#### Technical characteristics

**Temperature range:** -30°C to +70°C

**Standard Length:** 20 m

**Colour:** Black

#### Construction

**Cover:** NR/BR, black, smooth, with fabric printing and embossing

**Reinforcement:** Textile cord, steel spiral, copper litz wire

**Lining:** NR/BR, about 65° shore, black, smooth
