

GruloPipe 300

Light pipe cleaning hose up to 300 bar

GruloPipe 300 is a lightweight rubber sewer cleaning hose with one wire braid reinforcement. It is extremely flexible with an excellent abrasion resistance and dimensional stability. **GruloPipe 300** is suited perfectly for the application on jetting lances, used for the cleaning of manholes and for industrial cleaning services. As additional service we offer you various connection options.
