

GruloFlex PUR S

PU ducting hose for heavy duty applications

Heavy weight and flexible polyurethane spiral hose for suction and discharging of abrasive granules with a material thickness of 2 mm. **GruloFlex PUR S** is resistant to oil and petrols, non toxic and food proved according to FDA and EU-regulations. It is free of halogen and softeners with an excellent abrasion resistance.

Technical characteristics

Temperature range: -40 °C to +100 °C

Standard Length: 10 m, 15 m

Colour: Transparent

Construction

Material: Polyether-polyurethane with copper plated steel wire helix

Inner-Ø mm	Material thickness mm	WP bar	Vacuum bar	Bending radius mm	Weight/m kg	Article no.
51	2,00	3,80	0,95	200	1,000	11003-051
