

## WATERSHOOTER plus

High pressure cleaning hose with 4 spiral inlays

The **WATERSHOOTER plus** is a high pressure cleaning hose with 4 spiral inlays of high tensile steel wire. It is particularly suitable for water scaling and jetting systems. Because of its special synthetic rubber the **WATERSHOOTER plus** is abrasion and weather resistant.

### Technical characteristics

**Norm:** EN 1829-2, ISO 1307

**Temperature range:** -10 °C up to +70 °C

**Standard Length:** 10 m, 20 m | further lengths on request

**Colour:** Black

### Construction

**Cover:** SBR, oil, abrasion and weather resistant

**Reinforcement:** 4 spiral inlays of high tensile steel wire

**Lining:** SBR, resistant to mineral, vegetable, hydraulic oils and glycol basis fluids
